There's always a point  
To the undertones  
Right or wrong  
Neither lasts for long

Explanations don't work  
We must be shown  
Fear to speak Because we stand alone

Secluded  
Acting like a drone  
When a hand is handed  
No love is shown

Shit doesn't matter  
Just let it go  
The faint fizzle out  
While the strong live on

There's always an edge to the jokes  
Nothing goes without intent  
When an insult goes flying  
And I'm not crying

Doesn't mean I didn't  
Know what you meant  
Years pass  
No end in sight

Let the petty  
And shed some light  
It doesn't matter  
Only what we make

Counting on an accident  
Or mistake  
Is no way  
To get through

F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight

F-I-G-H-T everyday

There's always a tone  
To your voice  
Just a hint of cynicism  
Never ending arguing  
And all your fucking criticism

Never miss a word  
Always heard but never wanted  
So it is ignored  
Anything you want you got it

There's always a point  
To the undertones  
Right or wrong  
Neither lasts for long

Explanations don't work  
We must be shown  
Fear to speak  
Because we stand alone

Secluded  
Acting like a drone  
When a hand is handed  
No love is shown

Shit doesn't matter  
Just let it go  
The faint fizzle out  
While the strong live on

F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight  
F-I-G-H-T everyday

F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight  
F-I-G-H-T everyday, fight
