Questions burn
Caught in persuasive rational words
Take his hand
And he will take away your hurts
Vicious lies
The so called chosen one decides
Confusing
Ensuring your mental demise

Exalting crowd begins to pray
Fanatic true believers of his lie
Maliciousness, Messiah Mask
Casting souls and mental suicide

Pedantry
Deprived of all reality
Elusive
Yet drowning in this forgery
Manipulate
Consume your mind and duplicate
"Hear my child"
Your own opinions suffocate

Exalting crowd begins to pray
Fanatic true believers of his lie
Maliciousness, Messiah Mask
Casting souls and mental suicide

Unstable souls lost in the depts of evil
Obey to me and never go astray
Your wicked minds and earthly possessions
Let go of them and give it all to me!

Loyalty
Mesmerized catastrophe
Empty stares
Hysterical dependancy

Bloodstained floors
A penance for your wicked soul
Say your prayers

And heed to the infalable

Exalting crowd begins to pray
Fanatic true believers of his lie
Maliciousness, Messiah Mask
Casting souls and mental suicide
