"Too Short A Season"

Sudden loss of time
Dance to a weird symphony of
Timeless acts in perfect sound
Æn perfect memories

Placed in this position of stagnancy

Logic Lost Proportion
In a seemingly unendless cycle
Left to yourself

Seizing time, illusions
Trespassing the
Cold light of our passing days
Reversing and stopping

Placed in this position of stagnancy

Logic lost proportion
In a seemingly unendless cycle
Left to yourself
In unexpected ending
In the end it was too short a season

A well times warning
Leaves an ironic smile
Of misplaced arrogance
So dream on your strange dream

Everchanging scenery
Passing and breathing
Through inanimated dreams
In sustained farewell

Placed in this position of stagnancy

Logic Lost Proportion
In a seemingly unendless cycle
Left to yourself
In unexpected ending
In the end it was too short a season
