Step right up and dont be shy,
Because you will not believe your eyes
Shes right here, behind the glass
And your gonna like her cuz shes got class

You can look inside another world,
You get to talk to a pretty girl
Shes everything you dream about

But dont fall in love
Shes a beauty,
Shes one in a million girls
Shes a beauty
Why would I lie,
Why would I lie

You can say anything you like
But you cant touch the merchandise
Shell give you every pennys worth
But it will cost you a dollar first

You could stand outside your little world
You can talk to a pretty girl
Shes everything you dream about

But dont fall in love
Shes a beauty
Shes one in a million girls
One in a million girl
Why would I lie
Why would I lie
But dont fall in love,
Cuz if you do, youll find out she dont love you
Shes one in a million girls
One in a million girl
Why would I lie
Now why would I lie

(Step outside your world)
But dont fall in love
Shes a beauty

Shes one in a million girls
One in a million girl
Why would I lie
Now why would I lie

But dont fall in love
Cuz if you do, youll find out she wont love you
Shes one in a million girls
One in a million girl
Why would I lie
Why would I lie
But dont fall in love
Shes one in a million girls
why would I lie
