[Intro Host]
(Spoken) I'm really happy that John Reynolds is here.
Come on up, John. And he's going to announce the
brand new social media platform called "Twirlr." Please
welcome John Reynolds!

[Audience]
(Applause)

[John Reynolds]
(Spoken) Hi, everybody, thank you. We are very excited
to launch our new platform. I do have to ask you to turn
off all your mobile devices. If that's okay, news of this
won't break until 6pm and we'd like to keep it quiet. It
would be really great if there was no sharing of
information at all, until...

[Audience 1]
You want us to turn our devices off?

[John Reynolds]
(Spoken) Sorry?

[Audience 1]
I'm sorry sir, I can't comply. I have got to be online all
the tiiiiiiime.
(Spoken) Let me tell you how my life works!

I'm tweeting while I'm eating.
Cause everything I ever do,
I want the world to see it too!
