Yeah you want a change you say, so you think that you  
got a bad deal

You found love but you'd throw it away for another turn  
of the wheel

Chorus:

You're better by far right where you are

Now you see the light, it's not a crime to do what you  
feel

You thought you were sentenced to life but know you're  
out on appeal

Chorus

What could be wrong reaching beyond, tomorrow is  
another day

It's time to move on you're feeling strong, or are you  
really running away

Change for change if that's your aim

You're bound to lose what you thought you'd gain

And in the end it's all the same, just another turn of the  
wheel

Chorus--(out)
