I remember everything as if it were yesterday  
The cruel words you had for me on the night you went  
away  
You said it'd be a cold day in hell the next time that I'd  
see your face  
So I look you at your word, and found someone to take  
your place yeah  
Chorus:  
Just when I'd given you up for dead  
I've been doin' just fine since your left my bed  
( 'Cause I believed every word you said )  
And now your back in my life again  
We were so good for so long, or so it appeared to me  
The love that I thought was strong, the hold that you  
held on me  
Then you say you're not satisfied, What am I supposed  
to do  
Except to get on with my life, pick up and find someone  
new  
Chorus
