They say love is blind, and I feel like I've been wastin'  
my time  
I gave you everything, I was proud to call you mine  
Thinkin' I would be treated in kind  
One in a million is what I thought I had  
But I changed my opinion when you treated me so bad  
Chorus:  
Now (and) it's time we lay our cards out on the table  
And it looks like the writing is on the wall  
So (and) baby when you feel we can get to something  
real  
Give me a call  
Some say love's in vain  
Now it looks like we're gonna prove them right again  
You thought you could get way with flaunting my name  
Knowin' I would love you just the same  
One in a million is what you were to me  
But now my eyes have been opened and I don't like  
what I see  
Chorus  
One in a million is what you were to me  
Now my eyes have been opened and I don't like what I  
see  
Chorus--(out)
