my mind turns into my heart  
I got the shock of my life  
movin too fast  
just run, run, run  
playing out my very last chance to run

taking me down off this cross  
lay me down in the dust  
where my eyes cant't see  
no more sober words of love

this is my last chance to run  
I crossed the line  
and you know that is hurts  
I need to find one reason  
to live, to be alive  
just run, run, run

take a look in the mirror

my mind turns into my heart  
I got the shock of my life  
movin too fast  
just run, run, run  
playing out my very last chance to run

my last chance to run, my last chance  
I crossed the line  
and you know that is hurts  
I need to find one reason  
the mirror tells me  
all I need to know  
so I forget it after all

it's all for you  
but somehow I my not stop  
so I stopped smiling  
so I stopped breathing

in all that you did  
in all what you are

here I stand  
where my past is as far as the sun
