Oh my god you are a dangerous lover  
Oh my god you are a dangerous lover  
Yeah, my dear, you better run for cover  
Oh my god you are a dangerous lover

Bang on the drum is it loud enough to shake you  
Friend you've been warned - you've been told from  
behind the door  
Scream, scream it loud - sing it out make your lover  
proud  
Scream, scream it loud...

Oh you were wrong to keep this king from his tower  
Oh you were wrong to keep this king from his tower  
Yeah, my dear, you better run for cover  
Oh you were wrong to keep this king from his tower

Bang on the drum is it loud enough to shake you  
Friend you've been warned - you've been told from  
behind the door  
Scream, scream it loud - sing it out make your lover  
proud  
Scream, scream it loud...

Bang on the drum is it loud enough to shake you  
Friend you've been warned - you've been told from  
behind the door  
Scream, scream it loud - sing it out make your lover  
proud  
Scream, scream it loud...

Bang on the drum is it loud enough to shake you
