"Tu-whitt To-whoo"

Visit "[Tu-whitt To-whoo](#)" on MotoLyrics.com

By the house that you call home
Lie the evil and the scared
Pass the saints through heavn's gates
We could hide out there

On the Highland borderline
Brings us back when we were kids
Picutres of our dead loved ones
The night is young so don't be scared

I've known you all my life tonight...
And I won't let that go
I've known you all my life tonight

I am the bastard beneath the June
I am the lie within the truth
And the owl will watch over you
Let him sing tu-whitt tu-whoo

I've loved you all my life tonight...
And I won't let that go
I've loved you all my life tonight
