These wounds will never heal  
I've forgotten how to feel  
I lie in this bed  
Drowned in my own self pity  
With thoughts going through my head  
This blade sinks in oh so deep.  
Time is up, I blew this chance  
Please miss may I have this dance.  
If only I could turn back time  
I'd leave these burdens far behind  
If only I could turn back time  
If only I could turn back time.  
My time was up, I blew this chance  
For the last time, may I have this dance  
Please miss, may I have this dance  
If I could turn back time  
I'd leave these burdens behind.  
My time is up, I blew this chance  
Please miss, may I have this dance.
