I don't want to die
Till I'm twenty-six
Live in my house
Way up in the hills

You're never, never, never
Going to gain control your life is empty
If you knew what I knew
It's character assassination

Teenage suicide
I'll think, I'll overdose
Cover of rolling stone
4 lines I'm comatose

You're never, never, never
Going to gain control your life is empty
If you knew what I knew
It's character assassination

Assassination across the nation
Assassination across the nation

My wife threw out my record collection
Through them into our Olympic pool
Walked in on my secret love affair
With my thirteen year old whore

She said, "I don't want to talk
You're just L.A. scum"

I don't want to die
Till I'm twenty-six
Live in my house
Way up in the hills

You're never, never, never
Going to gain control your life is empty
If you knew what I knew
It's character assassination

You're never, never, never

Going to gain control your life is empty
You're never, never, never
Going to gain control your life is empty
If you knew what I knew
It's character assassination
