This is such a drag
I can't handle what's going on
I'm taking my time W
Hen really I'm ready,
To let it all swallow me whole,
I can't forget this now,
Even though it's far too late,
And I know somewhere, somehow,
I'll keep making the same mistake

Oh she's beautiful,
And I know that she'll never learn
And I know that I'm useless,
I'm through,
I'll be hours,
I'm still gonna crash and burn
I'm still gonna crash and burn

Do you really know what this means?
Or am I just another page,
On chapters and chapters of influence and ignorance
Don't throw this all away
What's needed next I know,
But are you thinking same?
My mind is in pieces and this has happened way too
much before
It's all the same

Oh she's beautiful,
And I know that she'll never learn
And I know that I'm useless,
I'm through, I'll be hours,
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn

Oh she's beautiful,
And I know that she'll never learn
And I know that I'm useless,

I'm through,
I'll be hours,
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
I'm still gonna crash and burn
