### "All I Need"

Visit "[All I Need](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Chorus]

Im sick of the lies  
Im sick of the games  
Im sick of the pain  
All I need is Jesus, Jesus, Jesus, Jesus

Im sick of the flesh  
Cant handle the flesh  
Live and die in the flesh  
All I need is Jesus, Jesus, Jesus, Jesus  
[2x]

[Jaz]

Who I need as I plead the blood of Christ on my life  
So open up your eyes, realize, hear the cries, no  
demize  
Devil, even wickedness dont try lies  
My life, here placed in God's hands I stand  
Im never gonna trip, dont devil stick, on the jes tip tip,  
we got the grip grip  
So I announce pronounce the Holy Script Script  
Check it, in HIM no sin my friend within  
From the top drop, dont stop to rock eternity  
The trinity, infinity, all I need Romans 8 3 9  
Its time to find the line and read  
No hieght not depth no light no death  
Til my very last breath, God's love still left  
I pass that test, give God my best til I find HIS rest  
Yes

Aint nobody gonna cry  
Aint nobody gonna die  
Street of Gold where I reside  
HE'LL wipe the tear drops from my eyes  
Oh what a day, when Jesus cracks the sky  
My eyes will cry no more  
All my clothes be layin on the floor yo

[Chorus]

[DG Warrior]

Holy Spirit, come down fill me now, what  
Pray everyday, stay strong  
My wrong make it right  
In my Holy rhymes, give my dad props  
My self wanna rise, gotta put it down  
Underground, gotta drown gotta clown  
Dirty flesh, already test, condemned it  
Gonna buck ya down, gonna buck ya down  
Break it off somethin proper  
Be a devil stomper  
Gotta go and follow  
When I fall my LORD Jesus Christ  
For life is what, when I want to do  
Preach teach and raise  
Preach praise and raise

Higher Higher Higher  
[9x]

[DG Warrior]  
Fly to the sky wit your wings spread wide  
Were gonna worship God the Most High  
Get on the right route, to the J side  
That be Jesus, the number one  
One begotten son there ever was on a cross  
devil got tossed, lost, messin wit the boss  
that be sittin on the throne, hittin hard to the devil's  
dome  
Right to the soul, and flow wit the ghost  
And the KING OF KINGS, LORD OF LORDS  
My savior, Jesus, Jesus, Jesus, Jesus

Gotta put down for my LORD  
[4x]

[Chorus]

[Big J]  
Im sick of all this flesh  
Got me caught up in all this mess  
LORD can I handle this test  
Servin you the very best  
Yes I gots to do whats true  
Heaven or Hell what I'm gonna do  
I better pick you, without you my life is through  
I dont need more of me, I need more you  
LORD my flesh is feelin weak  
Cause the devil tryin to pin me tempt me  
Hit me down, keep me down  
I need you round, wont you break him on down  
Tired of all this mess I'm in

Tryin to do your will, but I end in sin  
Try to do right, but I end in wrong  
I need your strength to keep pressin on  
Hello fellow mellow tenth flow let me get my flow, here  
I go  
Wanna praise the Most High, serve you til the day that I  
die, I cry  
Holy is the Lamb, the Great I AM, the Son of Man and I  
can  
Grab your hand, and seek your face in a Holy place  
and follow your plan

Homies scold me, know me  
take me take me, break me brake me, shake me shake  
me  
reach me reach me, teach me teach me, meet me  
meet me

[Big J]  
I cant help myself, Ive done fell myself  
I gotta die myself, that means no more self  
All I need is Jesus, Jesus, Jesus, Jesus  
No one else

[Chorus]
