I don't know why I'm  
So caught up in covering up the past  
After all this time I  
I thought I would be over you at last

But it kills me at night  
I was hoping you'd give me a second chance

But I'm leaving it up to you  
Leaving it up to you  
And there's nothing that I can do  
'Cause I walked away when I said I'd stay with you

No excuses so I  
I thought I'd make it better as I go  
If I could go back in time I  
I wouldn't leave you waiting all alone

I lay awake late at night  
I wish I had the courage to say no

But I'm leaving it up to you  
Leaving it up to you  
And there's nothing that I can do  
'Cause I walked away when I said I'd stay

Leaving it up to you  
(I wanna come back home and)  
I'm leaving it up to you  
(I wanna come back home)  
And there's nothing that I can do  
'Cause I walked away when I said I'd stay with you

With you  
With you

After all this time I  
Try to understand this pain  
No excuses so I  
Find a reason to run away to run away  
To run away

But I'm leaving it up to you  
Leaving it up to you  
And there's nothing that I can do  
'Cause I walked away when I said I'd stay

Leaving it up to you  
(I wanna come back home and)  
I'm leaving it up to you  
(I wanna come back home)  
And there's nothing that I can do  
'Cause I walked away when I said I'd stay with you

With you  
With you
