Hello, oh

I've killed a man with a knife  
Killed him pure and simple  
For his kids and his wife  
I'm alive

So listen, it's easy, just power  
I'm sick of hearing inside  
I need a taste of freedom  
Or a new fate inside

I'm alive, I'm dead  
"You're finished" She said

It's comin', I'm thinkin' it through  
All the things I've told you  
Gonna make 'em come true  
I'm alive

You're like in heaven, you're finished  
I've seen the fear in your eyes  
The only time it happens is  
When I'm telling you lies

I'm a alive, I'm dead  
"Life's empty" She said  
I'm alive

I think of you  
I'm alive, I'm dead  
"Life's empty" She said  
I'm alive, I'm dead  
"You're finished" She said

Just believe me when I tell all the answers that I know  
I'm just waitin' 'til tomorrow but try and get out  
There's a time for new sensations and we'll play a  
chance for you  
There will be a taste of freedom that will see the  
business through
