Can you hear the noise  
Climbing down the hills  
Seems to be the voices  
Of your gods  
Listen to the song  
They're singing along  
Seems there is no way  
To escape

You're running  
Nothing will help it  
Seems like there's nowhere to go

I'm getting mad  
Only get crazy  
That little voice makes Ohoooo  
I'm getting mad  
Only get crazy  
That little voice  
In your head  
Makes Ohoooo

Can you hear the men  
Coming after you  
Seems to be the day of punishment  
You're the chosen one  
Thought it wasn't bad  
Now it seems a game  
It's just to late

I wanna tell you the story  
Of old Indian people  
That one day turned so crazy  
That killed every one
