Baby don't be afraid even though it's late.  
I can lead our path - There's no time to lose!  
Hand in hand we'll go in to the land below  
where we can be free - There's no time to lose!

Run by my side in search of distant light  
pointing our way - Soon the dreams will come!  
In the eyes of child fear towards the night.  
Long way to the sun - Soon the dreams will come!  
Beyond the Strange Horizon!

Walk the road of Death. Try to save your breath  
'cause soon we'll face Our Lord - We leave  
this world behind!  
Free among the dead from sins we once plead.  
Eternal is our love - We leave this world behind.  
Blessed be those within grief.  
I invite you to relief.  
Leave your pain to the earth.  
Under the tombstone is birth.

You just gotta believe!!!

Baby don't be afraid even though it's late.  
I can lead our path - There's no time to lose.
