(K. Edwards/S. Janes)  
I've given all thought  
To what I think of you  
I've given all my heart  
And now I'm feelin' blue  
this Saturday cartoon  
is gunna change your mind  
in this Saturday cartoon  
gum is all I find  
Blueberry gum mommy!  
Blueberry gum!  
Running around  
has never felt so good  
I'm bored out of my mind  
if you only understood  
So come on over  
and celebrate with me  
we'll rent us some movies  
and drink us some tea  
Blueberry gum mommy!  
Blueberry gum!  
(If this was only television)
