Do you remember when we were younger,  
And every day we'd climb out of bed hoping to see  
each other,  
Waking up in other places we didn't know how the hell  
we got there,  
But we didn't seem to care.

Maybe somewhere out there she is looking back at me,  
And maybe somehow this is meant to be.

Excuse me miss but I think I lost my way back home,  
Can you help me I've been gone for too long,  
Cause the only place I wanna be is right here in your  
arms,  
And I'm sorry I've been gone for so long.

Do you remember all the things they said that we would  
be,  
We would never believe them we'd always say it  
couldn't be,  
And do you remember all the things we said about  
what we'd see,  
But I don't remember seeing you drifting from me.

Maybe somewhere out there she is looking back at me,  
And maybe somehow this is meant to be.

Excuse me miss but I think I lost my way back home,  
Can you help me I've been gone for too long,  
Cause the only place I wanna be is right here in your  
arms,  
And I'm sorry I've been gone for so long.

Excuse me miss but I think I lost my way back home,  
Can you help me I've been gone for too long,  
Cause the only place I wanna be is right here in your  
arms,  
And I'm sorry I've been gone for so long.

Excuse me miss but I think I lost my way back home,  
Can you help me I've been gone for too long,

Cause the only place I wanna be is right here in your  
arms,  
And I'm sorry I've been gone for so long.
