Wake me up, Wake me up, Tell me is this a dream,
If it is please just let me get back to sleep,
Cause I don't wanna miss a minute of this,
Hurry up, Hurry up, Before I'm not in the
scene,
She looks so good and I wish this wasn't a
dream,
Could it be this girl is perfect for me,
I gotta find her, oh.

We're running out of time,
So take a chance make it real tonight,
We only got one chance to make this dream come
alive.
It's getting down to the final dance,
So go ahead and take your chance for me.

There she goes right in front of me this
isn't a dream,
I find the words but I can barely speak.
What do I do I think she's walking towards
me,
I look at her, she looks at me and it's easy to see,
It's just the two of us and she's the one for
me,
I think she's falling just as hard as me.
I gotta tell her, oh.

We're running out of time,
So take a chance make it real tonight,
We only got one chance to make this dream come
alive.
It's getting down to the final dance,
So go ahead and take your chance for me.

Whoa, Whoa, Whoa , Whoa, Whoa, Whoa.

We're running out of time,
So take a chance make it real tonight,
We only got one chance to make this dream come
alive.
It's getting down to the final dance,

So go ahead and take your chance for me.
