(Do you really love me?)  
Maybe I think about  
Maybe not real love at all  
Could be I'm goin' crazy  
Probably nothin' at all

Holding on to something, but I'm falling for you

(Chorus)  
Feels like its, changing right now baby  
But I already know  
Cause it's like now or never baby  
Do you, you really love me  
It don't feel right baby  
Not the time to tell  
Cause it's like now or never baby  
Do you, you really love me?

Loose talking kind of people  
Just like putting you down  
But I ain't listening baby  
Any time they're around

What's the use in pretending, when I'm falling for you

(Chorus)  
Feels like its, changing right now baby  
But I already know  
Cause it's like now or never baby  
Do you, you really love me  
It don't feel right baby  
Not the time to tell  
Cause it's like now or never baby  
Do you, you really love me?

We could go out later  
And look at the stars a shining  
The magic is here now baby  
As far as the mind can see  
As far as the sky

Feels like its, changing right now baby  
But I already know  
Cause it's like now or never baby  
Do you, do you really love me?

Changing right now baby  
But I already know  
Cause it's like now or never baby  
Do you, you really love me

It don't feel right baby  
Not the time to tell (not the time to)  
Cause it's like now or never baby  
Do you, you really love me?  
Do... you really  
Do you really love me?
