Pretty baby don't you feel so right now
Pretty baby don't you feel so free
Now were livin' cause it's schools out baby
Come on baby cause you're here with me

Don't go lookin' for another kind of honey
Don't go lookin' now you're here with me
If your lookin' for an extra kind of reason
Don't you know your found it here with me

Every time you look you know I feel so special
Every time you look, every time you look
Every time you look you know I feel so free now
Every time you look for

(Chorus)

Pretty baby don't you feel so right now
Pretty baby don't you feel so free
Now were livin' cause it's schools out baby
Come on baby cause you're here with me

Pretty Baby!

Take my hand and we can run away together
Slip on by to where we feel so free
Got no money but that ain't what it's about now
You'll be sittin' on the edge with me

Every time I look into your eyes like diamonds
Shining like the sun, Baby you're the one
Every time I look at you I feel I'm falling
Falling over deeper for

(Chorus)

Pretty baby don't you feel so right now
Pretty baby don't you feel so free
Now were livin' cause it's schools out baby
Come on baby cause you're here with me
Pretty baby don't you feel so right now
Come on baby cause your here with me
Now were livin' cause it's schools out honey

I've been waiting for you to show
I've been sitting, 3 hours to go
So let's dance like there's no tomorrow baby
Tomorrow oh

Pretty Baby, Cause you're here with me baby
Pretty Baby! Ohh whoa, whoa, whoa, yeah

Pretty baby don't you feel so right now
Come on baby cause your here with me (here with me)
Now were livin' cause it's schools out honey
Baby
