Never saw what was comin' at me
Didn't hear what was said
What I held in the palm of my hand
Was it just in my head

Never worked out that way
I thought that you meant to stay, yeah

Who am I, before you start to run baby
Who am I to all I see
Who am I to hope that we are one darlin'
Who am I, can you hear me?

Tried to tell you my love was real
Tore my heart out over you
We're not turning back, from the truth now
Help me see a way through

And all the promises we make
Are they the ones that we break?

Who am I, before you start to run baby
Who am I to all I see
Who am I, to hope that we are one darlin'
Who am I can you hear me? (Ooo, ooo)

Who am I before you start to run baby
Who am I to all I see
Who am I, to hope that we are one darlin'
Who am I can you hear me?
Can you hear me?
Can you hear me?
