Visit "[Straight Jacket Labels](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Words pierce through the air  
They make you wear  
To get you in a straight jacket label with your face  
Turned to the wall

This place penetrates  
When everyone that ever tries  
To tell you that you're not the same  
Watches you fall

You're pushing on the wall inside  
You're pushing outside to find the reasons  
You run from this place  
When they label you  
(Pushing on the wall inside)  
Reasons to run from this place  
When they label you  
(Pushing on the wall inside)  
You're inside

Thinking of everyone you ever knew  
When they put you outside  
In the separating wall  
I can see you

Standing there waiting for the answer  
To the reason no one operates  
The way you do  
Your point of view

You're pushing on the wall inside  
You're pushing outside to find the reasons  
You run from this place  
When they label you  
(Pushing on the wall inside)  
Reasons to run from this place  
When they label you  
(Pushing on the wall inside)

Every day that they can't see  
Afraid of what they might find  
In the way of what they see

Afraid of what's inside of you

Reasons to run from this place  
When they label you  
(Pushing on the wall inside)  
Reasons to run from this place  
When they label you  
(Pushing on the wall inside)

You're inside  
(When they label you)  
(Pushing on the wall inside)  
You're inside  
(When they label you)  
(Pushing on the wall inside)  
You're inside
