Breathe in, hold it, hold it  
Go on, begin  
To let go, 'cause there's no reason

I'm turning myself  
Into somebody else  
Calm down, calm down, calm down

I'm holding a heart in my hand  
Hey, hey, hey  
My own work of art here where I stand  
Hey, hey, hey

Give in, it's so hard start  
Live in my skin  
The bruises are useless  
Against it

I'll try all I can  
To find a soft place to land  
Come down, come down, come down

I'm holding a heart in my hand  
Hey, hey, hey  
My own work of art here where I stand  
Hey, hey, hey

Stand up straight  
Hey  
Stand up straight  
Hey  
Stand up straight  
Hey  
Stand up straight  
Hey

Breathe it, hold it

Iâ´m holding a heart in my hand

Hey, hey, hey

My own work of art here where I stand

Hey, hey, hey

Hey...

Hey...

Hey...

Hey...
