

Answer, The "Always"

I packed my bags, moved outta town on my own again
Yes I learnt to live, live off the land, by my feet

You were always on my mind
You were always on my mind

I travelled far, growing my hair over all my eyes
I just pick my star, lose it and start back again
But I don't know what to say
And I don't know what to do
Without

You, You were always on my mind
You, You were always on my mind
You, You were always on my mind
You, You were always on my mind

Find my soul leave it alone
Won't you rescue me, take me to home
Now the lines are drawn
Drawn back and ready to fade away

Because you, you were always on my mind
Because you, you were always on my mind
Because you, you were always on my mind
Because you, you were always on my mind

Ah no that's just fine
