Memphis water washing all your fears away
Memphis water you're a hero so they say
But you're scared to be yourself
You don't wanna be no one else
In case you falter

I'm on the outside
On the outside looking in
I just met myself on the road
I gotta tell you I'm looking pretty thin
I'm scared to be myself
I don't wanna be no one else
In case I falter

You know how it feels
You taught me to follow my fortune
But you've brought me to my knees

You know sorrow
Sorrow can be replaced
A blind man, said you left without a trace
Oh yeah you left without a trace

Memphis water can't you see what you have done
You gave us all sweet sweet cheer
Gave us cheer when we had none
But we're scared to be ourselves
We don't want to be no one else
In case we falter
In case we falter
