Sometimes your loving
I said sometimes your love
It isn't enough, you'd better stop your pushing because
Your love, it isn't enough
I don't wanna know
There's the door, thank you and good day
No I don't wanna know
cause there is not a word for me to say
I'll be fine take time,
leaving with another line
that gets you to the point
You'll be back yet again
You don't have to tell me when I've nothing to anoin
Sometimes your loving
Sometimes your love
It isn't enough, you better stop your pushing because
your love, it isn't enough
