Love gave me welcome  
When I least expected  
He opened up the door and waved me in  
But straight away I knew  
There was no way I could enter  
I was just too broken to begin

And as I turned away  
I could hear him say

It's I've come for  
It's you I want more  
I'd anything for you  
There's nothing left to say  
Nothing left to prove  
I've done all there is to do  
I do all of this for you  
All of this for you

So he took me by the hand  
And led me inside  
Sat me at the greatest feast I'd seen  
And the praises of the saints  
That echo through the hallways  
Were like something from a beautiful dream

Then love lent him near  
And whispered in my ear  
It's you I've come for  
It's you I want more  
I'd do anything for you  
There's nothing left to say  
Nothing left to prove  
I've done all there is to do  
I do all of this for you

My heart is filled with deeper joy  
Then I have ever had  
To be fully known  
And yet still loved  
Nothing I have ever done  
Can even compare

To hearing this words fall like a flood

It's you I've come for  
It's you I want more  
I'd do anything for  
There's nothing left to say  
Nothing left to prove  
I've dont all there is to do  
I do all of this for you  
All of this for you
