City Slicker Hangnail Whipperwill writes:> Speaking of the _BS&Q_ single...>Anyone know if it was released on anything but vinyl?>>BrianYep... It was also released as a CD single, WAXCDS 9149. Also, here's the lyrics for the first remix (the second is, well, difficult... :-). Note for the squeamish: these lyrics are a bit ornery, to say the least. Read them at your own risk. :-). Also, they might not be entirely right. Send any criticism/corrections to me, at megadude@jhunix.hcf.jhu.edu or ring@jhunix.hcf.jhu.edu.>-----cut here-----
