She sits alone, waiting for suggestions.
He so nervous, avoiding all the questions.
His lips are dry, her heart's gently pounding
Don't ya just know exactly what they're thinking?

[chorus]

If you want my body, and you think I'm sexy, c'mon
sugar let me know!
If you really need me, just reach out and touch me,
c'mon honey tell me
so!

He's acting shy, lookin for an answer
C'mon honey, let's spend the night together.
Now hold on a minute, before we go much further,
Give me a buck, so I can buy a rubber.
They catch a cab to his high-rise apartment,
At last he could tell her exactly what his means

If you want my body, and you think I'm sexy, c'mon
honey tell me so!
If you really need me, just reach out and touch me,
c'mon sugar let me
know!

Woof woof!

His heart's beating like a drum, cuz at last he's got this
girl home.
Ohhh... Relax baby, now we're all alone.

[distorted chorus]

They wake at dawn, while all the birds are singin.
Two total strangers, but that aint what they're thinking
Outside it's cold, it's misty and it's rainy
They've got eachother, neither one's complaining
He says I'm sorry but I'm out of KY jelly
Never mind sugar, we can catch the early movie

If you want my body, and you think I'm sexy, c'mon

sugar let me know!
If you really need me, just reach out and touch me,
c'mon honey tell me
so!
