What have we lost  
In the name of progress  
What have gained  
In the wake our success  
I don't wanna live like this  
How can we live like this

What have we done  
That will be remembered  
What have we built  
That is everlasting  
I don't wanna live like this  
How can we live like this

Kings will fall down  
Cities will crumble  
My hope is found in you  
Breath will fail us  
Time will leave us  
My hope is found in you

Where will we go  
When the day is ending  
What will we hold  
When it all comes to an end  
I don't wanna live like this  
How can we live like this

Kings will fall down  
Cities will crumble  
My hope is found in you  
Breath will fail us  
Time will leave us  
My hope is found in you  
In you  
My hope is found in you

This is a charge to let it go  
This is a charge to let it go  
I'm gonna stand with you alone

Kings will fall down

Cities will crumble  
My hope is found in you  
Breath will fail us  
Time will leave us  
My hope is found in you  
In you  
You
