A chance of eyes, adrenalin set in motion
A blaze of hearts, paradise close at hand
When stars align nothing more need be spoken
The future is here, it's all in the masterplan

Take a bow, the ceremony went beautifully
Picture perfect, everyone had a ball
What went wrong, the dream was struck by reality
And the bigger the dreams, the harder the tears will
fall
You know the bigger the dreams, the harder the tears

Separative lives
Doesn't need to mean goodbye
Living separate lives
Doesn't have to be goodbye

Don't let it slip away
Let it slip away
Or let it slip away
Let it slip away

As moves the earth, so goes the turn of the river
Finding it's way, your destiny's yours to resolve
One thing remains, nothing stays forever
And the bigger the dreams, the harder the tears will
fall
You know the bigger the dreams, the harder the tears

Separative lives
Doesn't need to mean goodbye
Living separate lives
Doesn't have to be goodbye

Don't let it slip away
Let it slip away
Or let it slip away
Let it slip away

Let it slip away, slip away

Separative lives
Doesn't need to mean goodbye
Living separate lives
Doesn't have to be goodbye
Living separate lives
Doesn't have to be goodbye

Goodbye, goodbye, goodbye, goodbye, goodbye
