-I-

When the love ran, someone has to lose (x2)
just someone like you, could help me (x2)

Ref: Da je srce dijamant da ga delim na pola, pola tebi pola njoj ... dao bih Vam zivot svoj
In the heart of the diamond that it acts on the half, half of you half of it ... I gave you my life.

- II-

Be strong do not go, stay beside me (x2)
just someone like you, could help me (x2)

Ref: Da je srce dijamant da ga delim na pola, pola tebi pola njoj ... dao bih Vam zivot svoj
In the heart of the diamond that it acts on the half, half of you half of it ... I gave you my life.
