Visit "[Cadillac Ass](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'm looking for something that's better than the one  
I'm looking for another way to hold on to my gun  
And I'll wait for another crime  
Because the boredom possessed all my time

You make me  
You won't break me  
You make me  
You won't break me  
'Cause it's better than to be the one  
That never wakes up

I'm the picture of lonesome my hand's on my gun  
I'm moved by the vision of giving to one  
And I'll wait for another crime  
(And I'll wait for another crime)  
The boredom possessed all my time  
(Boredom possessed all my time)

You make me  
You won't break me  
You make me  
You won't break me  
'Cause it's better than to be the one  
That never wakes

You make me  
You won't break me  
'Cause it's better than to be the one  
That never wakes up

You come

You make me  
You won't break me  
You make me  
You won't break me

You make me  
You won't break me  
You make me  
You won't break me
