Always the same Â every day
And nothing to do
Drinking beers, just hanging around
But what about you?
Are you ready to come with me
Do you wanna get what i see
Tell me what do you want
Or what do you need
Always the same Â every day
But nothing to loose
Together we could dancing around
So what about you
Forget about all the teenage freaks
Let us go for the highest peak
Tell me Â are you ready for that
Or whatever you need

Do you have the time
To walk with me in a line
Do you feel the same
Do you wanna feel it again?
Do you have the time
To walk with me in a line
Do you feel the same
Do you wanna feel it again?

The nights breaking through so what about you?
Are you coming with me
Together we could taking the world
Common, lets go
We will take us to another place
Live our lives in the fastest ways
Tell me Â are you ready for that
Or if you leave me now

Do you have the time
To walk with me in a line
Do you feel the same
You wanna see me again?
Do you have the time
To walk with me in a line

Do you feel the same
You wanna see me again?
