I'm at best, when I'm a mess  
I cannot wait to see you undress  
I'm so pretending not to look  
But I cannot help myself

'Cause your the one that gets my gun  
Your the one that gets my gun

It comes to this your body is bliss  
You make me shine into a moment  
And underneath the covers  
Is where I want you to be now

'Cause your the one that gets my gun  
Your the one that gets my gun  
Your the one that gets my gun  
Your the one that gets my gun
