As soon as I get over all of this
I thought that I would be your number one
I fall into a place where I've never been
I call but you never hear my way

You might be the best of anyone around
But I wish I was over you
As soon as I am relieved from all this pain
I dreamt that I would walk you down that way

I'm all into a way
That I've never been
And you're confused
I'd give anything for you

You might be the best of anyone around
But I wish I was over you
You might be the best of anyone around
But I wish I was over you

I'm not over you
I'm not over you
As soon as I
I'm not over you

As soon as I
I'm not over you
As soon as I
I'm not over you

As soon as I
I'm not over you
As soon as I
I'm not over you

As soon as I
I'm not over you
As soon as I
I'm not over you
