All along I was just faking it
And do whatever just to be making it
All along I was just eating shit
And do whatever just so I could make a hit

I'm a slave because it isn't like me
To be myself and live without a care

My day is payday
Will they ever learn from me?
My day is payday
Will they ever?

All along I was their little bitch
And do whatever just so I could be the rich
Now, I'm as plastic as they ever come
But so are credit cards and they are worth more than
some

I'm a slave because it isn't like me
To be myself and live without a care

My day is payday
Will they ever learn from me?
My day is payday
Will they ever learn from me?

My day is payday
Will they ever learn from me?
My day is payday
Will they ever?

And I'd sell my soul for million one
It's better than just living for the fun
'Cuz I'll be their fortunate son
And that's when I know I've won

I'm a slave because it isn't like me
I'm a slave because it isn't like me
I'm a slave because it isn't like me
To be myself and live without a care

My day is payday
Will they ever learn from me?
My day is payday
Will they ever?

Payday, payday
Payday, payday
Payday, payday
