I'm drawing pictures of them
I've been a writer of ten
I'm simple like the chemicals in men
I'll be all by myself until I can

I'm a little like the man
That never understands what mood he's in
I'm simple like the future of an end
I'll be all by myself until I can

I'm okay on my own
'Cos I'm okay on my own
You can blame yourself
When you're running in circles
'Cos I'm okay on my own

This could be the better part of me
I feel like I am able to believe
That I won't be able to blend with them
'Cos there no future in an end

I'm okay on my own
'Cos I'm okay on my own
You can blame yourself
When you're running in circles
'Cos I'm okay on my own

I'm okay on my own
'Cos I'm okay on my own
You can blame yourself
When you're running in circles
'Cos I'm okay on my own
