Fill the sky with the blood of the futile  
Today they pissed away millions of dollars  
Tomorrow they will be melting in the acid of the  
inflamed  
NEVER TO REMEMBER THE PEOPLE THEY NAMED  
Bleeding inside and out  
They both fell into a pit of barbwire  
Nails in there throat  
They begin to choke

THERE IS NOTHING AFTER THIS  
THERE IS ONE MORE KILL  
LEFT INSIDE  
THERE BLOOD IS DRAINED  
THEY BEGIN TO FADE  
FROM EXCITEMENT

Look who it is the last one left  
He sits there and bleeds  
Every drop  
No more left  
But we still like to watch the maggots  
They eat his flesh  
Melt his muscle fragments  
They were all  
Sentenced to immortal damnation
