Beat It, Beat, Beat, Beat It, Beat It, Bang

Making The Club Shake As Our Bodies Attack
I Know You Feel It Bump Against Ya Back
Grab It, You Can Have It
Either You Take It Or Leave It Alone
Don't Just Stand There And Look At It, Hop On
Grab It, You Can Have It

Public, D.A.
People Are Watching You And I
Making Out On The Floor, Floor
Touch It, Embrace
Soon As I Unzip My Fly
You Can Do A Lot More, More

She Wanna Hold My Drumstick, Drumstick
I Think I Wanna Beat It Bang, Bang
Beat It, Bang, Beat It, Beat It, Bang
Drumstick, Drumstick
I Think I Wanna Beat It Bang, Bang
Beat It, Bang, Beat It, Beat It, Bang

Beat It, Beat, Beat, Beat It, Beat It, Bang

Don't Play With It, I'm Full Grown Not A Boy
You Got The Beat But I'm Bringing The Noise
Grab It, You Can Have It
Once You Pick It Up You Can Not Put It Down
Wanna Head Bang While I'm Bangin' You Out
Grab It, You Can Have It
