I found a reason to keep living
Oh and the reason, dear, is you
I found a reason to keep singing
Oh and the reason, dear, is you

Oh I do believe
If you don't like things you live
For some place you've never gone before

Honey, I found a reason to keep living
And you know the reason, dear it's you
And I've walked down life's lonely highways
Hand in hand with myself
And I realized how many paths have crossed between us

Oh I do believe
You are what you perceive
What come is better than what came before

Oh I do believe
You're all what you perceive
What come is better that what came before

And you'd better come, come come, come to me
Come come, come to me
