I'm sticking with you  
'Cos I'm made out of glue  
Anything that you might do  
I'm gonna do too

You held up a stage coach in the rain  
And I'm doing the same  
Saw you're hanging from a tree  
And I made believe it was me

I'm sticking with you  
'Cos I'm made out of glue  
Anything that you might do  
I'm gonna do too

Some people go into the stratosphere  
Soldiers fighting with the Cong

But with you by my side I can do anything  
When we swing  
We hang past right or wrong

I'll do anything for you  
Anything you want me too  
I'll do anything for you  
Oohoh I'm sticking with you  
Oohoh I'm sticking with you  
Oohoh I'm sticking with you
