Jenny said when she was just five years old
There was nothin' happenin' at all
Every time she puts on a radio
There was nothin' goin' down at all,
Not at all
Then one fine mornin' she puts on a New York station
You know, she don't believe what she heard at all
She started shakin' to that fine fine music
You know her life was saved by rock 'n' roll
Despite all the amputations you know you could just go out
And dance to the rock 'n' roll station

It was alright
It was alright
Hey baby
You know it was alright
It was alright

Jenny said when she was just bout five years old
You know my parents are gonna be the death of us all
Two TV sets and two Cadillac cars -
Well you know it ain't gonna help me at all
Not just a little tiny bit
Then one fine mornin' she turns on a New York station
She doesn't believe what she hears at all
Ooh, She started dancin' to that fine fine music
You know her life is saved by rock 'n' roll,
Yeah, rock n' roll
Despite all the computations
You could just dance to that rock 'n' roll station

And baby it was alright
And it was alright
Hey it was alright
It was alright

Hey here she comes now!

Jump! Jump!

Like Jenny said when she was just bout' five years old

Hey you know there's nothin' happenin' at all

Not at all

Every time I put on the radio,

You know there's nothin' goin' down at all,

Not at all

But one fine mornin' she hears a New York station

She doesn't believe what she heard at all

Hey, not at all

She started dancin' to that fine fine music

You know her life was saved by rock 'n' roll

Yeah rock 'n' roll

Ooh, Despite all the computations

You know you could just dance to the rock 'n' roll station

Allright, alright

And it was alright

Oh, you listen to me now

And it was alright

C'mon now

Little better

Little bit

It was alright

It was alright

And it was alright, alright

It's alright, alright

Baby it's alright, now

Allright, baby it's alright, now

Baby it's alright, alright now

Baby it's alright

Baby it's alright now

Oh baby, oh baby

Oh baby, Yeah yeah yeah yeah yeah

It's alright, now

Ooh, it's alright now

All, alright.
