Can you hear me out...  
(Can you hear me out...)

You've been watching, you've been judging every  
move that i have made,  
Pointing fingers, always talking about the things, that i  
have said,  
Big discussion, missbelieving, every signal you send  
out,  
Where have you been, what have you done,  
The same questions every night

Can you hear me out, don't be jealous, don't faint  
about to say I'm sorry,  
I belong to you and you belong to me,  
Can you hear me out, don't be jealous, don't faint  
about to say I'm sorry,  
I belong to you and you belong to me,  
Yeah, yeah, yeah

When did I give you any reasons to behave the way you  
do,  
If I wanted to break out I would have left you long ago,  
You're the one I choose to be with, you're the one to  
share my bed,  
If I wanted someone else I wouldn't give you all I have

Can you hear me out, don't be jealous, don't faint  
about to say I'm sorry,  
I belong to you and you belong to me,  
Can you hear me out, don't be jealous, don't faint  
about to say I'm sorry,  
I belong to you and you belong to me,  
Yeah, yeah, yeah

(Can you hear me out) (x2)

You've been watching...  
Can you hear me out, don't be jealous, don't faint  
about to say I'm sorry,  
I belong to you and you belong to me,

Can you hear me out, don't be jealous, don't faint  
about to say I'm sorry,  
I belong to you and you belong to me,  
Yeah, yeah, yeah
