Don't know when it started and I don't know when it ends

I feel so much pressure that I don't like get the bans

I'm rolling and controlling in your facility,

That's why everybody calls me Mr. Infinity

If you wanna be, oh, you know we are the infinity

And if you wanna see, oh, you know we are the infinity

(x2)

Ink,ink,ink ,

Hey, I really wanna tell ya about my life

E-veryday, I like to pump and get hyped

E-veryone, I know they love to get down

Everybody turn it up,

and then we'll turn the world around

round, round, round,

Round, round, round,

Round, round, round,

Oh, you know we are the infinity (x12)

Ink,ink,ink,

Ohh, o-ohh,

Everybody calls me Mr. Infinity

Rocking down, don't need your facility

I don't care, I don't mind, I like to leave my fierce behind

I love the titty when the girls make a flow

Everybody better gets this flow

Come on, let's lose this flow

Here we go, here we go

Moving it up, shaking it up, rocking it down,

Infinity ink, we got that sound (x4)

Don't where it started and I don't know when it ends

I feel so much pressure that I don't like get the bans

I'm reaching with no effort into the galaxy
That's why everybody calls me Mr. Infinity

If you wanna be, oh, you know we are the infinity
And if you wanna see, oh, you know we are the infinity

(x4)

Ink,ink,ink ,
