Mozhet zrya, konechno, no speshu na svidan'e.
Reshila na vse sto, no dostayot ozhidan'e.
A veter kak nazlo nabrosilsya na prichyosku.
Tantcuu "raga-raga", bashmachki na prisoskah.
La-la-la-la, la-la.
La-la-la-la, la-la.

Ya v myslyah o tebe skuchau na ostanovke.
Poka netoroplya, mechtaya, krasila brovki.
Avtobus ne prishyol, kak budto vstal na minu.
Lubov' menya tak zhdyot, a ya podstavila spinu.

Moya lubov' plachetsya,
Kak businka katitsya,
Letit moya
Pryamo pod otkos

Mozhet zrya, konechno, no opyat na svidan'e.
Ty tozhe menya zhdyosh', a ya v svoem ozhidanii.
I veter kak ugu, no ni chego ya s raschyoskoy.
Tantcuu "raga-raga" "raga-raga"...
